Important

A final itemized invoice or receipt for all materials, labor, and taxes related to the Rebate Application must be attached. Black Hills Energy cannot accept quotes, proposals, estimates, or bids as confirmation of purchase. Bank or credit card statements are not considered valid for proof of purchase. All equipment must be new. No reconditioned or used equipment qualifies for rebates. Incomplete applications will be delayed. Black Hills Energy reserves the right to verify sales receipts and installations. After approval, please allow four to six weeks for delivery of the rebate check.

Tax Information

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. Black Hills Wyoming Gas is not responsible for any tax consequences of the rebate program.

Disclaimer

Black Hills Wyoming Gas does not guarantee that installation of equipment qualifying for rebates will result in reduced energy usage or demand, or in cost savings. The Customer will hold harmless Black Hills Energy Wyoming Gas and its officers, directors, shareholders, agents, employees, and representatives from all claims, liabilities, fines, interest, costs, expenses, and damages incurred by the Customer, for any damage, injury, death, loss or destruction of any kind to persons or property, to the extent the damage, injury, death, loss or destruction arises out of or is related to the conduct, negligence, willful misconduct, misrepresentation, breach of warranty or other breach of this rebate form on the part of Black Hills Energy Wyoming Gas.

Terms and Conditions

General Eligibility

1. Applicant must be a current Wyoming residential natural gas customer of Black Hills Wyoming Gas to participate in energy efficiency program.
2. **Equipment purchase and installation must be completed between January 1, 2025 and December 31, 2025. All applications for work done in 2025 must be received by January 15, 2026.**
3. Rebates are available for equipment and envelope measures (insulation) installed in heated living spaces only. Measures installed for use in garages or shops are not eligible for rebates.
4. Applications will be processed on a first-come, first-served basis. The program will end when the budget is depleted. Funds are limited.
5. This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice.
6. To avoid delay, the contractor invoice returned with your rebate application must include the installation/service address, a detailed description of service(s) provided including the manufacturer, model, and serial numbers for any equipment installed, and the date of installation. Equipment cost, labor and tax must be itemized, and Envelope Measures (insulation and infiltration) must be itemized per area. Labor charges for self-installed jobs are not eligible for rebates. The rebate cannot exceed amount paid for item(s). Labor charges for self installed jobs are not eligible for rebates.
7. **Unless specified, checks will be made payable to customer shown on invoice.**
8. Where applicable, energy-efficiency ratings must meet minimum efficiency requirements as listed in this application, and must comply with those listed in the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) directory found at www.ahridirectory.org.
9. **Black Hills Wyoming Gas Residential Evaluation Program is required for eligibility for envelope rebates. Homes must be five years or older for energy evaluations.** When submitting for envelope measure rebates, attach a copy of the evaluation results to this rebate form. Call 888-454-3312 to schedule a free energy evaluation.
